### PLEASE NOTE

In order to maintain our high service of dental care, the Practice will make a discretionary charge for missed appointments without 24 hours notice and for late cancellations.

The charge will be £15.00 per 10 minutes, payable before your next appointment.

**All work is guaranteed for one year.**

The terms of all guarantees are as follows:

The patient must attend the Practice twice per calendar year for examination and necessary preventive dentistry and any required treatment.

The guarantees are against failure of the material not the surrounding tooth substance.

Damage to existing restorations placed whilst undertaking root fillings, and damage caused by trauma, accidents or persistently not following oral hygiene instructions are not covered.
